WELLBEING

SOME PLACES *are discovered*. OTHERS FEEL LIKE *they were always yours*. YOU SIMPLY *hadn't found them yet*. Dhërmi IS the second KIND.

The road to MOYO is itself a ritual. You pass through darkness, the long, cool breath of the mountain tunnel, and emerge, blinking, into another world. The Ionian unfolds before you without warning: impossible blues, limestone cliffs breathing in the heat, a coastline that has kept its secrets well. This is the ALBANIAN RIVIERA. And it is finally *ready to be found*.

Soon, the world will arrive more easily still, a new airport drawing the global traveler directly to these shores, shortening the distance between the everyday and the extraordinary. But for now, there is something sacred in the journey. MOYO has always known what this land holds. Not a destination chasing trends, but a sanctuary rooted in something far older. The rhythm of the sea, the generosity of the Albanian earth, the quiet power of a place that transforms you simply by arriving.

Here, guests and staff form a community of soul-seekers dedicated to a holistic way of life. Integrated into the wild landscape, every space is designed to harmonize the mind, body, and spirit.

Experience a refined flow through nature, gastronomy, music, and movement. Come and discover MOYO, a sanctuary for vitality.
